

Position: Plasterer

Location: Niverville, MB

Full-time

In-Ex is a COR Safety Certified Plastering and Stucco company that is hiring full-time plasterers. As a company that respects safety, integrity, and honesty, they are looking for staff with aligned values.

In-Ex expects staff to invest in their work, and so they're also ready to invest in their staff. The position includes competitive benefits and wage scale. Positions are permanent, with steady hours throughout the year and minimal winter layoffs. There are plenty of learning opportunities, and knowledge sharing with team members with decades of experience can help you advance in your career.

The job includes heavy lifting, working at heights and in changing weather, and early starts. Experience in construction, farming, or trades is an asset. A willingness to learn is a must. Applicants must be fluent in English, have a valid driver's license, and have access to a vehicle.

Wages are dependent on experience and range from \$25-\$30 per hour. To join the crew, submit your resume with references. Criminal Record Check and Drivers Abstract will be required upon Offer of Employment. Only those applicants chosen for interview will be contacted.
